

The subject matter of this email is "RED FLAGS WITH ARCHBISHOP VIGANO"

I will first list the red flags in a bullet list, then I will give the proof and evidence for each bullet point.

1. Abp Vigano is connected to Satanist Alexander Dugin.
2. Abp Vigano connection to high level International Jewry
3. Abp Vigano speaking out of two sides of his mouth

1 - Abp Vigano spoke at a symposium with Alexander Dugin, who is a huge player on the geopolitical scene. He is a jewish Satanist. He is an open admirer of Aleister Crowley. This man is evil. You can look him up to read more about him. Anyways, what on earth is the Abp doing speaking at a symposium with the likes of this character?

The topic for the symposium was "A Great Awakening" for humanity? The post-Covid era: Our future between science and transendence

«**A** l grande reset rispondiamo con un grande risveglio»: il motto del 1° Festival di filosofia "Antonio Livi" è lo slogan lanciato dal pensatore russo Alexander Dugin, poi ripresa da monsignor Carlo Maria Viganò, che lancia l'evento organizzato a Venezia per il 30 maggio 2021 nel quale i due grandi esponenti dell'attualità politica e religiosa saranno tra le punte di diamante degli ospiti invitati.

Translated: "To the great reset we respond with a great awakening": The motto of the 1st festival of philosophy "Antonio Livi" is the slogan launched by the Russian thinker Alexander Dugin, then taken up by Monsignor Carlo Maria Viganò"

Here is a noteworthy article about Alexander Dugin..

"Russian Satanist mystic Alexander Dugin, who recently shared a platform with Abp Vigano, on his plans to "decompose Catholicism from within" push Catholics "In a more heterodox and even esoteric direction" and start a civil war";

2. On September 11th 2001 when the WTC towers were crashing down, do you know where Klaus Schwab was?? He was inside a synagogue having a meal with Rabbi Arthur Schneier at his Park East Synagogue!

Now, do you know who is friends with that same Rabbi Arthur Schneier? Do you know who spoke at his birthday celebration recently? None other than Abp Vigano...

Abp. Viganò to Rabbi Arthur Schneier on his birthday

Religious Freedom? Freedom of conscience? YIKES!!

That is a picture of Abp Viganò at the celebration for Rabbi Schneier, with an attached quote from his speech. If you would like a video clip here is one:

Also, look at the platform Abp Viganò has been given. Look at all the the people promoting him. Even Mel Gibson recently just put out a video promoting Abp Viganò. Here is a screenshot of an upcoming conference the Abp will be speaking at...

What do all these people have in common? It makes you think huh? I know the answer... The answer is, they are all controlled by J's and promote Trump.

3. Apb Vigano speaks out of two sides of his mouth because he claims to be against the jabs, yet he supports Trump. The same Trump, who calls the vaccines a miracle! Trump calls himself the Father of the vaccines! Trump promotes the vaccines! Trump initiated Operation Warp Speed to produce the vaccines!! How many Catholics know that Trump partnered with Moderna on Jan 13, 2020 TO CREATE THE MODERNA / NIH VACCINE!?!? That is BEFORE the lockdowns started! How did Trump know?

How can Abp Vigano be against the jabs, yet support the figure (Trump) who is so responsible for the jabs, and is promoting them every chance he gets?

His letters have also only reinforced the fake dialectic of the political left-right paradigm. Two sides of the same coin. Political theater is all it is, yet Abp Vigano is leading all Catholics into this fake dialectic. And ultimately leading them to Trump.

False Dialectic

Republican vs. Democrat
Light vs. Dark

Trump/Vigano

VS

Biden/Francis

Trump and the Noahide Laws. How many Catholics know this about President Trump??? ..How can ANY Catholic support this man? How can Abp Vigano praise him and support him as a defender of Christianity!!??

President Trump silently affirms the Jewish Noahide Laws Thursday, April 4, 2019

Conclusion: I believe the grand purpose of Abp Vigano, WAS, IS and ultimately WILL be, is to lead Catholics into longing for, and to embrace, the grand return of the human savior Trump and the spiritual "Great Awakening" (The false light of Lucifer) to "save" everyone from the Great Reset and the obvious darkness. Also known as, false light overcoming obvious darkness. Because of my background in the new-age, I can assure you that this spiritual false light, this spiritual counterfeit light of Lucifer is very real, and unless Catholics know the true light of Christ, they will fall for it and believe that good has overcome evil.

Bottom line: Whatever his agenda may be, I just recommend proceeding with GREAT CAUTION when it comes to Abp Vigano. There is enough evidence in my opinion that he is a snake who can't be trusted, unfortunately.
